Lighting Collection 2012

Bronze Age Lighting & Metal Works specializes in custom, handmade to order lighting fixtures for commercial, hospitality, retail & residential applications. We work with a variety of materials such as Copper, Brass, Stainless Steel & Handblown Glass to name a few...Many of the models seen on our online catalog can be custom sized or altered to suit your specifications. All of the Copper & Brass lighting are made to withstand the harsh elements of ocean front climates and will develop a lovely patina which will simply age and change with time. Please browse our website for further details on lamp specifications and the full range of designs.
